# Draw a unicorn

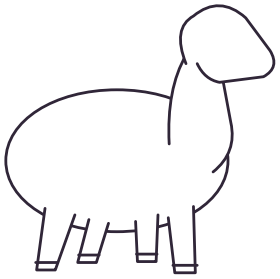

Six small steps, from a simple oval to a storybook friend.

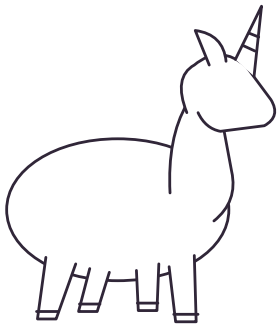

1. Start with an oval body.

2. Add a neck and a long face.

3. Give it four visible legs.

4. Add an ear and a horn.

5. Draw a curling mane and tail.

6. Finish with a face and details.

Try again on the back. Change one shape to make it yours.
